In an initiative to encourage the love of reading from a young age, the City of Ithaca and Cross World Africa, Inc. are sponsoring a book drive to benefit the children of Eldoret, Kenya.

This book drive will support the Sister City Partnership that was formed between Ithaca, NY and Eldoret, Kenya in May 2007. To expand and support our partnership, we are asking those who have, to help those who are less fortunate. The book drive will also enable members of the Ithaca community to make a difference on a global scale.

Please donate new, and gently used books at the following locations between October 1st and 15th, 2009:

Ithaca City Hall • Cornell University: Oxley Equestrian Center, Reis Tennis Center, Teagle Hall; Bartels Hall • Ithaca High School • Belle Sherman Elementary • Boynton Middle School • Lehman Alternative Community School
